**TERMS:** All orders are shipped C. O. D. until credit has been established. A credit application must be completed. After credit approval, terms will be NET 30. All returned checks received will be charged for an additional \$25.00 service fee.

**PRICES OF MERCHANDISE WILL BE BILLED AT PREVAILING PRICES. SPECIFICATIONS SUBJECT TO CHANGE WITHOUT NOTICE.**

**FREIGHT POLICY:** F.O.B. Bristol, Indiana. Freight carrier to be named by Russell Products, Inc. unless other carrier is specified at time of ordering. UPS shipments are subject to handling charges.

**FREIGHT CLAIMS:** Claims for loss or damage are the responsibility of the consignee and freight carrier. Shortages must be reported no later than five days from date of invoice.

**RETURNS:** Advance approval must be obtained in writing from Russell Products, Inc. Returns must be shipped prepaid and be in the original containers. All returns are subject to a minimum twenty percent restocking charge.

**LIMITED WARRANTY:** All products manufactured and/or distributed by Russell Products, Inc. are guaranteed against defects from faulty workmanship or materials. If any product is found to be defective by reason of faulty workmanship or materials, upon written notice and return of the product (where return of the product is possible), defective items will be replaced by Russell Products, Inc. free of charge, including but not limited to shipping charges for the return of the defective product and for replacement product.

The warranty term commences on the date of purchase by the original purchaser and terminates one (1) year from that date. The warranty is limited, as stated above, to the original purchaser only.

Be aware that Russell Products, Inc. will not be responsible for any incidental or consequential damages, including but not limited to claims for labor cost and all other expenses required to replace such defective products or to repair any damages resulting from the use thereof.

The warranty does not cover defects or damages attributed to improper use, installation, or alterations of the products manufactured or distributed by Russell Products, Inc.

In as much as Russell Products, Inc. has no control over where and how each product is used, it is recommended that each user test this product for its application of that product.

Specification, chemical compounds, physical properties and prices may change without prior notice.
